

Jules Silvertand
IT Security Analyst
UM-SOC
Maastricht University

Januari 20, 2022.

UM-SOC, The Maastricht University Security Operations Centre, wishes to thank Ekin Şiar Bayer for reporting two security-issues on two separate web servers of Maastricht University.

In a responsible and detailed fashion the issues on the web servers were described and demonstrated, and because of the report of Ekin Şiar Bayer Maastricht University has taken measures to resolve the vulnerabilities.

Regards,
Jules Silvertand,
IT Security Analyst,
